MEMORANDUM FOR: Mr. H. Knoche, Office of Executive Director

Hank:

This is in response to your inquiry regarding the proposed Agency briefing of about 75 graduate students of the Fletcher School of Law and Diplomacy. I have discussed this with the Directors of Personnel and Security and we agree entirely with the recommendations of the Office of Training and the Assistant to the Director that the briefing be approved.

We see no likely security problems and we believe the briefing would enhance the image of the Agency in the eyes of a number of graduate students. It should represent a positive benefit to our recruitment program.
